

PFENDLER RANCHES

DISCOUNTED SEMEN PROGRAM • APPLICATION

Our discounted semen program provides the opportunity for commercial outfits to access discounted semen in exchange for real performance data on the resulting calves. We are accepting a limited number of operations on a rolling basis.

PROGRAM TERMS

- Open to commercial cattle operations only.
 - Participants agree to report birth weight, weaning weight, and calving ease on resulting calves.
 - Calves produced through this program are for commercial use only and are not eligible for registration with the American Hereford Association.
 - Semen is provided at a discounted rate at Pfendler Ranches' discretion, based on operation fit.
 - Accepted on a rolling basis.
